What has been done?

- Partners have been constantly working on the review and translation of the materials developed IO2 and IO3
- Materials can be found at <http://estet-project.com/> in all partners languages.
- In May 2022 the Greek partner EM-TH RDE implemented the piloting of the training module developed
- June 22 was dedicated to ultimate and defining all the materials while developing the structure for the IO4 "Compendium of Success Stories"
- In July 22 the consortium gathered for the 4th TPM in Palermo
- In August the website was entirely reviewed
- In September Partners arranged and settled up local pilot events

Greek Pilot Training

In collaboration with DIEK Komotini, the pilot application of the ESTET Learning Resources Portfolio was implemented on 13 and 23 May 2022. Teachers and students had the opportunity to get in touch with the pioneering material of the program and to evaluate the produced material.

4TH TPM - PALERMO

In July finally the Estet consortium had chance to meet in person for a productive and effective meeting!

Our 4th transnational project meeting was hosted by the Italian partner Promimpresa in the beautiful city of Palermo! During the meeting the following issues were addressed:

- Portfolio of learning resources for tourism sustainability skills.
- In-service training programme
- Compendium of Success Stories
- Greek Pilot Presentation
- International Multiplier event
- National Multiplier events
